

ANEST IWATA USA, Inc.
5325 Muhlhauser Road
West Chester, OH 45011
(513) 755-3100 FAX: (513) 755-0888

To whom it may concern,

ANEST IWATA USA is proud to supply some of the most environmentally friendly spray equipment in the industry.

We are also proud to supply the W400LV Compliant spray gun, one of the current compliant spray guns available in the United States approved by the US EPA ETV program.

Make sure that when you are informed that a spray gun is compliant under the new EPA Regulation 40 CFR Part 63 Subpart HHHHHH, that the spray gun you are considering has documentation from the EPA to support this.

Our EPA W400LV Compliant documentation can be found at the following EPA website link:

<http://www.epa.gov/etv/vt-ppc.html#htepsg>

For individual air-quality district W400LV Compliant approvals please visit our website www.anestiwata.com and type “approvals” in the site search.

As always thank you for your continued support of our brand.

Sincerely,

ANEST IWATA USA, Inc.
