Hamilton, OH. 45011

**RE: ANEST IWATA WS400 High Transfer Efficiency Spray Gun**

Mr. Hebbeler:

The Antelope Valley Air Quality Management District (District) has reviewed your letter dated May 20, 2013, requesting approval of the ANEST IWATA WS400 High Transfer Efficiency Spray Gun, as equivalent to High Volume-Low Pressure (HVLP).

The District hereby approves the use of the ANEST IWATA WS400 High Transfer Efficiency Spray Gun as equivalent to HVLP under the same conditions as those specified by the South Coast Air Quality Management District in their October 30, 2012 letter (for automotive coatings only, operating pressure not greater than 20 PSIG, must be equipped with air flow valve and pressure gauge).

If you have any questions regarding this letter, please contact me at (661) 723-8070 x2.

Sincerely,

A handwritten signature in black ink, appearing to read "Bret Banks". The signature is written in a cursive style and is enclosed within a hand-drawn oval.

**Bret Banks**  
Operations Manager
