Mark J. Hebbeler
Marketing and Sales Director
ANEST IWATA USA, Inc.
5325 Muhlhauser Road
West Chester, OH 45011

Dear Mr. Hebbeler:

APPROVAL OF ANEST IWATA USA, Inc. WS400 HIGH EFFICIENCY SPRAY GUN

In response to your letter dated June 12, 2013, regarding approval of the above-subject spray gun, the Shasta County Air Quality Management District (District) offers the following as official approval:

Shasta County Air Quality Management District will authorize the use of any spray-coating equipment that can demonstrate at least 65 percent transfer efficiency under the conditions of its use. The material that you provided with your letter indicates that the ANEST IWATA Supernova WS400 Spray Gun is capable of meeting this standard. Therefore, the Shasta County Air Quality Management District will authorize the use of this gun, for automotive refinishing in Shasta County, subject to the same conditions as those mentioned by the United States Environmental Protection Agency's letter dated January 15, 2013. Each gun must be equipped with an appropriate pressure gauge to allow precise measurement of the inlet air pressure and the air pressure must be supplied at equal to or less than 29 psig.

Should you have any questions regarding this authorization, please feel free to call me at (530) 225-5674, or e-mail me at rebell@co.shasta.ca.us.

Sincerely,

Ross Bell
Air Quality District Manager
